## Pavenham Park Golf Club

Dear Member,

I hope this finds you and your family well and that you are enjoying your golf at Pavenham Park.

As we reflect on this year, I am pleased to report that your course and club are in excellent health. The green keeping team have put in a fantastic effort to ensure that all areas are presented in as good a condition as the weather permits.

The recent purchases of a new greens mower and bunker bike have really assisted, together with an increased input of fertiliser, to combat the mostly dry weather this summer has presented.

Together with the members input through 'The President's Charity Fund' we have continued to improve the existing pathways with a dressing of crushed granite. It is the aim to complete the majority of paths by the end of this year. We thank President Tim Martin for his direction on these improvements. Also, we thank one of the clubs unsung heroes - Dermot Parker - for all of his time and help with this project.

Your golf course is consistently rated as one of the best in the area for its condition, challenge, layout and customer service extended by the staff. Ratings on Google and independent review site 'Golfshake' endorse that the majority of guests and members of Pavenham Park are very happy.

The best all grass practice area in the county has recently been accompanied by James Ridyard's 'all seasons' synthetic short game area, which has received fantastic reviews from top tour professionals and members. Our aim is to continue to offer improved practice facilities and very shortly we will commence the next project, which will result in offering you one of the best putting greens in the region.

Enclosed within this newsletter is a summary of the various competitions and events that have taken place this year. Your Captains, Sandra Birch and Graeme Lewis (together with their committees) have been instrumental in creating some fantastic events to celebrate the Club's 30th Year Anniversary. Parties, balls and quizzes have taken place and more are planned! Thank you to all who have attended - your support has helped towards raising money to this years' Captain's Charity (Keech Hospice), which is greatly appreciated.

Your golf club is currently thriving and we look forward to serving all your golf needs in the coming year.

Warmest wishes,

Zac

## Captain's Report

Time seems to have flown this year and I am pleased to report that most of the initiatives that we have embarked on have worked out well and can be built on for next year.

Fundamentally the club is about golf and hats off to the green keeping staff for the consistently high standard of the golf course over the summer period leading to some excellent competitions and enjoyment for many.

Captain's Day on 22<sup>nd</sup> June was an excellent day with 82 participants, great weather and much enjoyment, not least on the 16<sup>th</sup> 'beat the pro' where 4 managed to better Annabel. But only 6 people actually got on the green! The Captain's Shield was won by Panos Kazanas with a net 67 (pictured left) and the Captain's Claret Jug was won by Jack Healy with an excellent 73 gross (pictured right). Well done to all the winners on the day.

Captain's Day was followed in the evening by the 30<sup>th</sup> Anniversary Party. This was the new social committee's first event and it was a great success, with over 160 people partying and enjoying an excellent hog roast and top quality music (including Ray!)

Last month we had the Men's away trip to Belton Woods with 30 of Pavenham's men journeying to Belton Woods for 2 days of intense competition (and that was just the drinking!). It was great to see such a wide range for ages .....from 21 to 70+ really enjoying themselves. Big thanks to Jeff Caiger and Simon Healey for organising the competition, which of course Jeff duly won.

The social committee are pleased to announce a number of upcoming events with a quiz night, hosted by Alastair White on 5<sup>th</sup> October, a Race Night on 30<sup>th</sup> November and Children's party on 8<sup>th</sup> December.

Our Men's teams have had a reasonable season, the Scratch team still to play Leighton Buzzard in the their group with mixed results so far. The mid handicap team have completed their matches narrowly missing out on qualifying for the knock outs, and the Interclub competition still in the balance with the final match to be played.

Finally, and most importantly, for our chosen charity (The Keech Hospice) through the generosity of you, the members, the sums raised so far this year has now topped £6,800, so well on the way to achieving and exceeding our target of £7,500..... many thanks for continuing to support this very worthy cause.

Graeme Lewis  
Captain

## **RAY DE BRANCO PROSTATE CANCER UK CHARITY DAY**

Friday 19th July 2024

With the full support of Zac, we were fortunate enough to get an exceptional response to our Annual Prostate Cancer Charity Day.

I would like to extend my thanks to the following:

Thompson Golf, the Pro Shop, Catering and Bar staff for their assistance throughout the day  
Zac, Lee, Victoria and all the Pro shop for their help and support prior too, during, and after the event

Everyone who donated Auction and Raffle prizes

Glenn, Dave, Linda for their help in the morning

Heather for all her sterling efforts throughout the day

Anne for her ongoing support

Rhia and Chloe for all their efforts during the day

Grateful thanks for some extremely generous cash donations

With just a few Auction payments to come in, I can confirm that we raised circa £17,107 for Prostate Cancer UK on the day. Our running total now stands at circa £124,221.

Many thanks to everyone once again for your generosity, kindness and support which is greatly appreciated.

Kind regards,

Ray De Branco

## **60/40 CLUB**

For those who haven't participated yet in the 60/40 monthly draw, the process is very straightforward:

- Set up a £5 a month Direct debit: Sort code 60-02-13 A/c no. 62266004 Ref: Monthly draw
- You will then be allocated a ball number for the draw every month (you can cancel DD at any time)
- You could also pay £5 each month to the Pro Shop before the last Saturday in the month when the draw will be made
- The size of the payout is 40% of the money raised, so the more we raise the more we pay out to more and more winners!

Thank you for supporting our chosen charity for 2024 - The Keech Hospice (Bedford Day Care Centre)

Best regards,

Graeme and Sandy  
2024 Captains

## **30TH ANNIVERSARY GOLF TRIP**

The clubs trip to Belton Woods was enjoyed by a group of 30 Pavenham Park golfers ranging in age from 21 to 73 with handicaps from 1 to 30. The hotel was an excellent venue and we were fed and watered well! Some people even managed to see the shooting stars on Sunday evening, although that could have been due to being very well watered!

Apart from a 45min break for possible lightning, the weather was excellent and we all enjoyed 2 lovely courses, although the greens on day 1 were a little disappointing but gave everyone an excuse for not scoring as well as they hoped!

We had a range of team and individual competitions throughout the 2 days which resulted in 13 different winners of prizes.

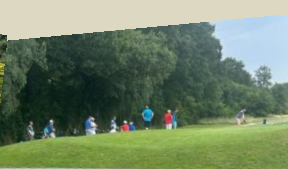

The individual winner on Sunday was Simon Healy and on Monday was Mitch Crook, with myself fortunate to win the overall individual competition and the new trophy kindly donated by the club.

It was great to see such a wide range of abilities and ages all playing and socialising together over the weekend and hoping that it will become an annual event.

We are already looking at venues for next year so please keep an eye out for announcements.

Cheers

Jeff Caiger  
Vice Captain

### 6th Hole - Provisional Ball Local Rule

Please note this local rule (as permitted by the R & A) is for the 6th Hole only and is for the purpose of speeding play up. It applies if you are unsure as to whether your golf ball is in Penalty Area.

The standard Rules of Golf apply to all other Penalty Areas on the golf course.

### Tee Shot definitely in 6th Hole Red Penalty Area

Play ball as it lies or Proceed under penalty using Rule 17.1. You cannot hit a provisional ball

### Unsure whether Tee Shot is in 6th Hole Red Penalty Area

If you are unsure as to whether your tee shot is in the 6th Hole Red Penalty Area you have the option to play a provisional ball.

If you decide to play a provisional ball, you may play this ball from the tee, go back-on-the-line from the point of entry or, as it is a red penalty area, use the lateral relief option (drop within 2 club lengths of the point of entry not nearer the hole).

Once you have played a provisional ball you then proceed by using one of the options below:

### If your original ball is found in the Penalty Area within 3 minutes

then you may:

1. play the original ball as it lies in the Penalty Area

If you decide to play your original ball you cannot lift and drop it under penalty. It must be played as it lies. Any shots played at the provisional ball will not count.

2. abandon the original ball and play the provisional ball

### If the original ball is found outside the Penalty Area within 3 minutes

then you must:

- abandon the provisional ball and play the original ball

Any shots played at the provisional ball will not count.

### If the original ball is not found within 3 minutes

then you must:

- go and play the provisional ball.

**Please remember the reason for this special Local Rule is to help speed up play and is for the 6th Hole only.**

## 2025 Men's Golf Trip to Forest Pines

After the success of this years' trip to Belton Woods we have decided to arrange another trip for 2025. This time we will be going to Forest Pines on Sunday 10th August and Monday 11th August.

The cost of the trip is £159 pp in a twin room or £219 for a single room. This includes 2 rounds of golf, bed, breakfast and evening meal. We are limited to a maximum of 48 people so to guarantee your place you will need to pay a £50 deposit to the club by the Tuesday 5th November. The balance will be due in April/May.

We have arranged that we can have a 2 tee start on both days to ensure we have the minimum of time between the first and last groups. First tee times on the Sunday are from 1pm and on Monday from 11am, hopefully providing plenty of time to get there and to get away at a decent time on Monday. If you weren't able to join us last year then hopefully you will be able to make it this year!

Best regards Graeme and Jeff

## Lady Captain's Report

My Year so far,

With the overwhelming support and kindness of our lovely lady members and Pavenham Park staff my year so far has brought many happy memories.

We are well into our year with many Trophy competitions now played, the pinnacle of which was Club Championships, won by June Russell, who also got a hole in one. Many congratulations to June.

The Summer Party was an enormous success. The weather was perfect. The pig roast and ice cream man excellent and we danced the night away to a brilliant band. There are more social events being organised so do look out for them.

Lady Captain's Day Winner  
Judy Greevy with  
Lady Captain Sandra Birch

Lady Captain's Day was the highlight of my year so far. It was a beautiful day, the food was excellent and we raised £230 from the raffle for our Charity. The Captain's Trophy being awarded to Judy Greevy.

Many thanks to all of my helpers.

We are doing well in the County Shield matches so far with 3 wins, one draw and one loss. We are sitting in 3<sup>rd</sup> place at present with 3 matches still to play. Come on ladies, we could win this.

Fingers crossed that the weather holds for the next couple of months and we continue to enjoy playing on our lovely course. Happy golfing everyone.

# PAVENHAM PARK BRIDGE CLUB

The Pavenham Park Social Committee is pleased to announce the  
creation of a Pavenham Park Bridge Club.

For the last few months, Dave and Heather Stephenson have been  
running 'improver' sessions for a small number of bridge players.

Following the success of these sessions, we are delighted that Dave  
and Heather have agreed to lead the creation of this club.

In time, we will open membership to complete bridge novices, but to  
start with, Heather and Dave would love to hear from any members  
who may have played bridge in the past and would like to brush up  
their skills and start playing regular bridge, or current players who  
would like to play bridge at Pavenham!

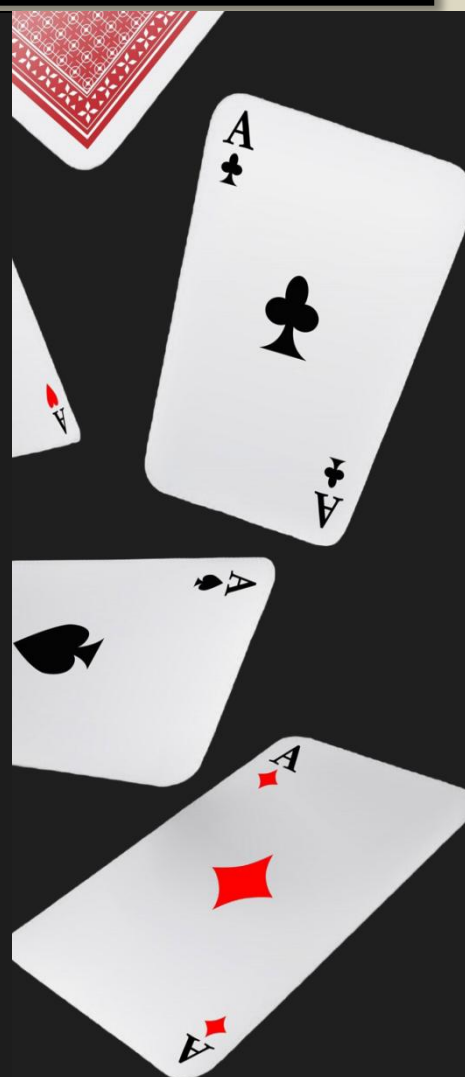

Club sessions will be on Tuesday afternoons commencing at 2pm.

# A message from your Head Greenkeeper

As the grass growing season slows down, I am happy to report that your golf course is in excellent condition.

After one of the wettest winters in recent memory, we faced the challenge of improving growth and coverage on all areas. Through increased fertilisation, aeration and maintenance we achieved this and recent comments from members and guests alike have been very positive.

With this said I take this opportunity to appeal to all members to help in the following areas to ensure your golf course is presented to its best.

## Bunkers

We recently purchased a new bunker bike (costing £25,000), which has greatly improved the presentation of all bunkers. It is, therefore, very disheartening to witness members not leaving the bunkers in a good condition ready for the next player. All bunkers have ample rakes in. **Please rake after you have played and remind your playing partners too.**

## Tee Blocks

Your green keepers move the tee blocks on a regular basis in a planned format. **Please do not move the markers.**

## Dogs on the Course

We are currently a dog friendly golf club and are happy for members to invite their furry friends to join them for a round! **Please ensure they are on a lead and collect any waste in an appropriate bag and dispense in a bin.**

## Temporary Greens

**Please drop your ball off of these areas.**

## Roped Off Areas

**Please keep out of these areas and do not remove / move stakes or ropes.**

## Pitch Marks

With the current ground conditions, **please make sure you repair your pitch marks.**

## Winter Trolley Use

We are nearing the inevitable onset of inclement weather conditions and frost on some mornings. Please be aware we have 2 distinct levels of operation at these times:

- 1. Normal Weather - All Trolleys permitted**
- 2. Excessive Wet Weather / Frost - Hedgehog Trolleys Wheels only**

The decision is made prior to play each morning and the Pro Shop will update the Pavenham Park X Feed and Website with the course conditions.

When restrictions on Trolleys are in place, Pavenham Park Golf Club only permits the use of Spiked Hedgehog Wheels or Powakaddy Winter Wheels. All other types of Winter Wheels (Gliders etc.) are deemed unsuitable and will not be permitted.

I wish you all the very best.
