Dear Member,

2024 marks Pavenham Park Golf Club's 30th anniversary.

In June 1992 construction of the 18 hole course commenced. Our aim was to develop a golf course that embraced what nature had kindly provided. We visited another two sites in the area, which at the time had planning permission for a golf course granted. However, it was the land at Pavenham that stood out.

With an abundance of mature trees, together with gentle sloping ground, in a peaceful country environment that offered some great views, Pavenham Park Golf Club was born and fully opened in April 1994.

A course was designed that reflected the modern day professional game but also offered an enjoyable experience for all levels of golfers. One that is not overly long but uses the greens and approaches as its best defence. Enjoyed by most and envied by other local clubs with less interesting layouts, Pavenham Park consistently ranks as one of the best to play in the area.

The club now benefits from a full membership and an ethos that takes the best of golf traditions and combines this with a relaxed and welcoming environment to enjoy your important recreational time. This ethos has attracted like minded members who wish to play at a club where policy and strict rules are not at the forefront of its operation. A club which is managed by staff who have worked most of their employed lives in the golf industry and are dedicated to providing an excellent service to members and guests.

Pavenham Park has certainly come a long way since its inauguration and we are proud of all that has been achieved to date. We are also very grateful to you, who as a member, has helped with the clubs' development and progression. Without your custom we could not have achieved all we have to date.

So, as we embark on our 30th year as a golf club, we want to ensure you that we will continue to progress the club and the course to give you a great venue to relax at and enjoy.

We wish you a very happy golfing new year.

Warmest wishes,

Zac

6th Hole - Provisional Ball

Local Rule

Please note this local rule (as permitted by the R & A) is for the 6th Hole only and is for the purpose of speeding play up. It applies if you are unsure as to whether your golf ball is in Penalty Area.

The standard Rules of Golf apply to all other Penalty Areas on the golf course.

Tee Shot definitely in Penalty Area

- Play ball as it lies or
- Proceed under penalty using Rule 17.1

Unsure whether Tee Shot is in Penalty Area

If you are unsure as to whether your tee shot is in the Red Penalty Area you have the option to play a provisional ball.

If you decide to play a provisional ball, you may play this ball from the tee, go back-on-the-line from the point of entry or, as it is a red penalty area, use the lateral relief option (drop within 2 club lengths of the point of entry not nearer the hole).

Once you have played a provisional ball you then have a choice.

If your original ball is found within 3 minutes, then you may:

1. play the original ball as it lies.

(If you decide to play your original ball you cannot lift and drop it under penalty. It must be played as it lies. Any shots played at the provisional ball will not count).

or

2. abandon the original ball and play the provisional ball.

If the original ball is not found within 3 minutes

or you are pretty sure it is in the Penalty Area, then you go and play the provisional ball.

Please remember the reason for this special Local Rule is to help speed up play and is for the 6th Hole only.

RAY DE BRANCO PROSTATE CANCER UK CHARITY DAY

FRIDAY 28th JULY 2023

With the full support of Zac, we were fortunate enough to get an exceptional response to our Annual Prostate Cancer Charity Day.

I would like to extend my thanks to the following:

I am deeply honoured and humbled to have reached and exceeded my initial target of £100,000.

Many thanks to everyone once again for your generosity, kindness and support which is greatly appreciated.

NEW WEEKEND TEE RESERVATION PROCEDURE

OPENING ON FRIDAY 1ST MARCH 2024 AT 3PM

In order to relieve the stress of members having to rise in the early hours of the weekend, the reservation / booking of a weekend tee time will move from the current procedure of opening a week in advance at 6am (7am during Winter).

From **1ST MARCH**, you will be able to reserve a weekend tee time (both Saturdays and Sundays) from 3pm on the Friday 8 days in advance. In the first hour of opening for weekend bookings (i.e from 3pm to 4pm) we will be accepting telephone bookings only (in the Club Office). After 4pm you will be able to book either by telephone or in person.

To assist with the volume of calls we will have two administrators / staff taking bookings from 3pm to 4pm. We have also just had an additional telephone line installed within the office to help with bookings.

This change of procedure commences on **1st March** (for bookings for Saturday 9th and Sunday 10th March). Until then the Pro Shop will be open on weekends from 6am for 7 days in advance weekend bookings.

Booking a tee time at any good golf club for play at weekends at peak time (i.e from daybreak to early afternoon) will often be challenging regardless of what systems are in place. Online bookings, no bookings, putting a ball in a chute etc. still doesn't create any additional tee times during peak play time. All systems come with their pros and cons and where one system will suit one individual, there will always be another one that it isn't convenient for.

We took the decision to continue with telephone and face-to-face bookings a while ago. We like the opportunity to talk to our members and to try and help them with alternative times if their first choice isn't available.

We are currently looking at offering the option of online bookings at off-peak times (week and weekend afternoons) together with some competitions. We will advise accordingly if and when this option becomes available.

Please note that the booking procedure for midweek play is remaining the same. You are welcome to book up to 2 weeks in advance. This applies to Bank Holidays as well.

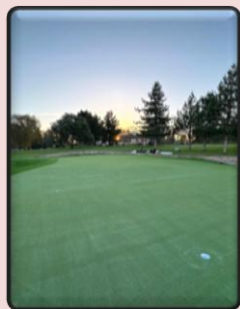

THE NEW JAMES RIDYARD SHORT GAME AREA WILL SOON OPEN FOR MEMBERS' EXCLUSIVE USE AT PAVENHAM PARK GOLF CLUB

We are delighted to offer 5 and 7 day members' exclusive use of this new £100,000 facility in the coming summer months.

James Ridyard is rated as one of the worlds' best short game instructors. James resides locally and his current stable of top class professionals include Justin Rose, Francisco Molinari, Ross Fisher, Oliver Wilson, Matteo Manassero, Laurie Canter etc.

James has used his knowledge and experience to create slopes, mounds and a terrain that offers an array of possibilities for short shots. A beautifully crafted bunker together with 5 target greens (40, 50, 60, 70 & 80 yards away) compliment the sloping main green area. The main feature of the area is that it is constructed with the finest synthetic turf available. This offers an 'all year around' practice facility for pitching, chipping and putting. The speed of this green is equal to 10 feet on the stimpmeter. So, you will also be able to practice your putting on a green that reflects the summer speed of Pavenham Park greens - all year around.

Initially the area will be open for James and Pavenham Park's professionals to teach on. Over the coming spring / summer months the area will be open to members through a pre-reservation booking system, which will be administrated from within the reception area.

The Clubs' agreement with James is that only 5 or 7 day members will be permitted to use this area and it will not be available for corporate / group members, guests or visitors to use.

We will be communicating more information regarding this area nearer the opening time.

OUR WAYS OF COMMUNICATING CLUB NEWS TO YOU

Over the past few years the way we communicate all that is happening at Pavenham Park Golf Club has evolved.

In the past we used to print and post out quarterly / annual newsletter. More recently, our main form of communication has been via emails - especially during 'covid' times.

However, with social media becoming so popular with all ages, we have decided to embrace this and deliver up-to-date news through these popular platforms. You will find regular up-to-date news on the club's FaceBook and Instagram pages.

For Competition results you will need to visit the Club's Master Scoreboard webpage. Here you will find all the results over the last 2 years together with a record of your handicap and an analysis of your scoring. In the last year we have also introduced 'live scoring' on the Master Scoreboard site, which allows you to keep up to date with live scoring remotely.

Course Status News is updated every day (7am Weekdays and 6am Weekends). This is displayed on the front page of the Club's Website and will inform you of details such as course conditions, trolley allowance / usage, course closure etc. We also use the Club's X (Twitter) feed solely for the daily course status update.

On the Club Website you will also find comprehensive news from the Ladies and Seniors Sections. This year your committee intend on also adding a Men's news section within the website.

We will also continue to keep in regular contact with you via email.

2023 CAPTAIN'S REPORTS

Ian Bishop
Club Captain
2023/24

It is hard to believe that my captaincy is coming to an end in February and that I will have to park with the rest of you all very soon. It has hopefully been a very successful year and I trust that everybody has enjoyed both the golf and the socials during my term of office.

For me the highlight of the year was reaching our target of £7,500 for the Bedford Branch of the Samaritans before Christmas. This is totally down to the generosity of all who contributed along the way. Another memorable highlight was seeing Ray DeBranco and Anne Beckett reach their amazing £100,000 target for Prostate Cancer UK. Yes that is not a misprint it is £100,000. Well done to you both for all your hard work and raising awareness of this killer disease for men. Your efforts are very much appreciated.

It has also been great working with Merlyn and it should not go unnoticed about how much the ladies section contribute to the club not only supporting the charity but also with the support they generally give throughout the year. Being only 40 strong you are credit to the club.

With regard to the golf I believe we have had a good year and I hope everybody enjoyed the friendly competition. It is always good to see new faces taking part and winning some of the trophies. A special mention should be made to our scratch team that won promotion this year under the leadership of Ryan Carbonero. Well done lads and good luck next year.

The future of the Club also looks very exciting with Graeme Lewis taking over from me and Sandra Birch taking over from Merlyn. I am sure that you both will continue to build on this years' success and they can be assured that they will get my full support.

Enjoy the parking space Graeme!

Merlyn Webb
Club Captain
2023/24

My year as Lady Captain has flown by and as I prepare for our Presentation Evening next week, I would like to reflect on the achievements of the Pavenham Park Ladies section.

Firstly, huge congratulations to all our PPGC members for their generosity and support in helping us reach our target of £7,500 for the Bedford Samaritans. Special thanks to our ladies who also supported **Breast Cancer Now** whilst having fun on Pink Ribbon Day, and, together with the Seniors played a Texas Scramble to raise money for **Willen Hospice** in memory of Beryl O'Reilly.

Our 2023 Xmas Open was a huge success, firstly selling out in a week, and then 96 ladies from 19 golf clubs absolutely enjoying every minute of their time on and off the course. On a rather frosty day it was great that we were allowed on some frozen greens. I need to thank so many people for putting on a great Show because that's what it has become. Zac and the whole PPGC team for all the organisation and fine catering, the ladies for the decorations on the tee boxes, the sparkle in the dining room, the changing rooms and toilets (including the mens!), the cakes and savouries for the halfway house, the raffle prizes donated; and the men - Ian Bishop, David Webb, Bob Birch, Chris Williams, Graeme Lewis & Gareth Davies for helping with the tee box decorations. To top it all we raised over £1,000 for the Samaritans.

We enthusiastically competed in the County Handicap League in 2023 but unfortunately lost the final decider match against Beds & County coming in a respectable joint 3rd with Leighton Buzzard. Undeterred, we will try again in 2024!

We have now played most of our fun and board competitions; the Turkey Trot on a very wet December day, turned out to be more of a fantasy 9 hole trot to Turkey! The Winter League is well under way with many ladies keen to keep their swing going through the cold months.

Despite our busy schedule of events, we managed to squeeze a fun day away at Rushden Golf Club and a 3-day trip to Hellidon Lakes. The ladies of Pavenham Park do know how to enjoy themselves when playing (golf) away!! Do browse the ladies' website for news and events <http://pavenhamparkgolfclubladies.weebly.com/news--events-2223.html>

We are very excited with a new initiative by Zac and Kevin to attract more ladies to PPGC. The summer lessons for beginners attracted 22 ladies and it is heartening to see how many of them are so enthusiastic and were seen practising on cold December days. I do hope that a few of them join us in the Spring.

It has been a pleasure working with Ian Bishop; his enthusiasm knows no bounds and the Samaritans are going to benefit greatly. My thanks to Vice Captain Sandy Birch who has been a huge support throughout my captaincy year and I wish her, Graeme Lewis, and Pete Kizsel all the best when they take over.

Ian Rogers
Senior Captain
2023

It has been an honour to serve as Senior Captain for 2023 and I thoroughly enjoyed the year.

The Seniors Section continues to grow with around 140 paid up members, and we have up to 50 members turning out each Monday and Thursday.

The Section runs Competitions every Monday and Thursday throughout the year with a mix of Individual, Pairs and Team formats. All PPGC members are encouraged to join. Congratulations to all the winners over the year with a special mention for Jim Duffield (Gross Senior Club Championship) and John Economides (Net Senior Club Championship).

We competed in 18 Inter Club matches during 2023 winning 9 and losing 9. Within this we play The Bedfordshire for the John Parrot trophy. We successfully regained the trophy with a narrow 6.5 to 5.5 score over the 2 legs.

Additionally we compete annually against Beds and County and the Bedfordshire for the Three Club Trophy. This year it was played at Beds & County and we ran out narrow winners, our finest achievement of the year.

The Section raised just short of £1,600 for my chosen charities, Crohns and Colitis UK and MacMillan. Many thanks to all who contributed. We conducted a survey of our members to better understand how well we delivered against their expectations. Responses were generally very positive. Many thanks to all those that returned them.

Finally, I would like to record my appreciation for the support I received from the team at PPGC and the Seniors Section Committee. I wish Peter Kizsel, the incoming Captain, all the best for 2024.

Course Manager's Report

Over the last year the golf course has returned to its former glory in terms of condition. At the end of 2021, after another very wet Autumn / Winter, we were unfortunate to suffer from considerable disease on the green, which took a while to treat and to grow out the damage caused. Following this was the driest of summers in recent history in 2022, which didn't help recovery!

In 2023, with the seasonal UK weather normally experienced returning, combined with additional input from the green keeping team in the way of extra fertilising, aeration, cutting etc., I am pleased to report that all areas are looking excellent and in good health for the coming season.

Over the winter months we have kept busy with our on-going aeration programme, which should allow play on the greens during the wettest of weathers.

The adverse winter weather has allowed us to focus on jobs such as clearing ditches and hedges, renovating bunkers, improving pathways etc.

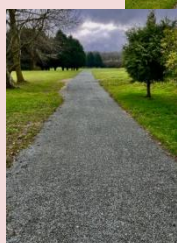

New Baroness 'state-of-the-art' Greens Mower purchased last year

In the early spring we plan an extensive fertilisation application, which will assist in giving all playing areas a 'boost'. After this we will, no doubt, be full on with cutting and presenting the course for your enjoyment and leisure.

I thank all the members for the recent compliments about the presentation of the course and also my loyal team for their hard work over the last year.

I wish you an enjoyable golfing year.

New 5th Hole Pathway with dressing of granite dust

Improving your Pathways

President Tim Martin has decided to dedicate the President's Fund towards improving the Club's pathways. The aim is for all pathways on the course to receive a dressing of granite dust, which will then be rolled and compressed to leave a smoother surface.

Pavenham Park is a very charitable golf club, with one of the main roles of the Club Captains to raise money during their year towards a worthy cause. The President's Fund was created with the view of enhancing certain areas of the club that the President chooses (a decision influenced through his/her communication with the members). Past Presidents have allocated the funds towards tree plantations, gazebos, clubhouse stereo system etc.

The amount spent on these projects is matched by the Club's Management, resulting in a joint effort in improving the facilities for the members of Pavenham Park.

The current path project will be an ongoing project for the next few years.

Mixed League 2024

Following on from a brilliantly organised Mixed League by Heather and Jim Wildsmith in 2023, Paul and I have volunteered to try and replicate that success in 2024.

We are now in a position to give you the majority of Mixed League fixtures for this year, please see the Club Diary on the Club Website. As with last year, we will look to organise the games followed by an optional meal, giving us a chance to get together, reveal results and celebrate success with the winning pair after each competition.

Heather has kindly sent through the voting results for the different competition formats which the Mixed League players completed in last year. We have tried to ensure that most suggestions will be covered throughout this year.

The sign-up sheets will be displayed on the Mixed Notice Board, just inside the Clubhouse in good time for all competitions. Please do keep an eye out for these, although we will send a reminder email to you all when we put up each sheet.

Looking forward to a great golfing season with you all in 2024.
