

Pavenham Park Golf Club

Dear Member

As the year draws to an end we feel it is important to extend our sincere thanks to all members, Captains and committees of Pavenham Park Golf Club for their continued custom and support. It has been another incredible year at Pavenham Park with an array of exciting developments, results and individual golfing achievements.

Looking forward to 2020, I can confirm that we have much more on course development planned. At the same time, we will continue to try and improve what we offer to you as a member from all areas of the club. This will always be our working ethos and commitment to you. Finally I'd like to wish you and your family the very best of golfing New Years.

Best wishes

Zac

Managing Director / PGA Professional

Course Update:

It has been a challenging few months in respect of course maintenance due to the continued rainfall and fluctuating temperatures. Whilst the lack of frosts and cold weather have allowed more play on the main greens, the excessive downpours and high water table has meant the course feels saturated and soft despite aeration of greens and fringes to ease drainage. Whilst general cutting is limited it has allowed project work to continue around the course. The greenkeeping team have been working hard to improve and progress the course in several areas:

- Edging and renovation of all bunkers
- 3rd hole greenside drainage
- 3rd yellow tee level & enlarge
- 4th yellow/red level & enlarge
- 4th new crossing point (on going)
- 9th new crossing point
- 10th pond cleared
- 11th approach drainage
- 13th white/yellow level & enlarge (on going)
- 15th greenside drainage
- 16th greenside drainage
- Treework raising canopy
- Practice bunkers restoration
- New practice putting/chipping green (Jan/Feb 2020)

Please note; Once the greenkeepers have started cutting a **green, tee or approach** they have the right of way to finish. This will take a maximum of 5 mins and is in the interest of the golfer but also the safety of the staff. Many thanks PPGC Management Team

As a valued member of Pavenham Park we are always open to hear your views and comments regarding the course, clubhouse, policies and competitions.

If you have any suggestions for development or improvement in any area, please come and speak to us in the Pro Shop, Office or contact us by email.

Also if you have any questions or queries on competitions or handicaps please consult the Pro Shop or Handicap Secretary.

We will aim to answer your questions and give you an honest perspective and conclude any doubts.

If the matter is of a technical nature or a Management decision then we will pass on the necessary information and a member of the Management Team will contact you directly.

We hope, as a member you feel you can approach any of our dedicated staff, who are trained in dealing with your queries.
